Dear Betsy:

I would like to thank you and the California Seed Association for holding the Flower Tour this year. The presentations you arranged from Syngenta, Sakata Seed, American Takii, and McShane's Nursery were all excellent. I learned a great deal about the flower seed industry and hope that the Flower Tour will become a permanent event. The material distributed from the companies we visited will be most helpful, and I look forward to sharing it with several of my friends who were unable to attend. Also, thank you for arranging rooms at the Laurel Inn and a charter bus to take the group around. I enjoyed the conversation fostered by having us travel as a group.

I appreciate the California Seed Association's involvement in helping college students to become better informed about the seed industry. The Flower Tour provided an excellent forum for us to ask questions and gain a better understanding of the flower seed industry.

Thank you again for such an informative and pleasant day.

Sincerely,

Randi Jiménez
